

ASSEMBLY BILL

No. 1975

Introduced by Assembly Member Halderman

February 23, 2012

An act relating to medical marijuana.

LEGISLATIVE COUNSEL'S DIGEST

AB 1975, as introduced, Halderman. Medical marijuana: pesticide regulation.

Existing law establishes the Medical Marijuana Program to exempt certain qualified patients who hold an identification card issued pursuant to the program, and the caregivers of those persons, from certain state criminal sanctions related to the possession, cultivation, transportation, processing, or use of limited amounts of marijuana, as specified.

This bill would state the intent of the Legislature to enact legislation that would require the Department of Pesticide Regulation to develop guidelines to enforce state pesticide regulations on medical marijuana cultivation.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would require the Department of Pesticide
- 3 Regulation to develop guidelines to enforce state pesticide
- 4 regulations on medical marijuana cultivation.
